

STATEMENT OF PROFESSIONAL ETHICS

I, _____, of identity number No. _____, of Nationality _____ article author: _____

I declare that:

- 1. Originality and plagiarism:** My submitted manuscript is an original work, which does not contain parts of other authors or other fragments of works already published by the authors. In addition, they confirm the integrity of the data, that is, that the empirical data have not been altered to verify hypotheses.
- 2. Multiple and/or repetitive publications:** My article is not published in another journal, database, newspaper archive, library, or repository.
- 3. List of sources:** I provide the correct indication of the sources and contributions mentioned in the article.
- 4. Authorship:** I guarantee the inclusion of those who made substantial scientific and intellectual contributions to the work's conceptualization and planning, interpretation of the results, and writing. Additionally, I rank the authors based on their level of responsibility and commitment.
- 5. Conflict of interest and disclosure:** I declare that no conflicts of interest may have influenced the results obtained or the proposed interpretations. In addition, I indicate any funding from agencies and/or projects from which the research article arises.
- 6. Errors in published articles:** If I were to identify an error in the article, I promise to notify the journal editors and provide them with all the necessary information to list the appropriate corrections at the bottom of the article itself.
- 7. Responsibility:** I accept responsibility for what has been written. I undertake to make the necessary corrections recommended in the peer review, bearing in mind the different currents of knowledge in a plural way.
